Product Description

ELA E14 Tuya App Remote Unlock Wifi Digital Smart Lock Camera Video Intercom Face Fingerprint Smart Lock Palm Vein Card Key Door Lock

Product Description

1. Password peep function: When opening the door with a password, enter the password as follows: XXX password XXX, and add some irrelevant codes before and after the password, then press # to confirm. The password must be included in the entered content.
2. Password error restriction function: Input incorrect password more than 5 times in a row, lock the keyboard for 30 seconds.
3. Low battery warning: When the voltage drops below 4.8V, an automatic alarm will sound every time the door is unlocked. The alarm will sound and the rear door lock can be unlocked 200 times. If the number of times is exceeded, the unlocking will be delayed for 5 seconds each time.
